Dear Sprout House families, alumni and friends,

We hope that you and your families are well. Sprout House is full swing with children exploring the world and developing friendships. The emergent curriculum continues to change with new activities, while the school maintains its core values of integrating the outdoor and indoor environment fluidly. Each day, children arrive ready for new outdoor adventures, hands-on science, children's literature and other child-centered activities.

Throughout the pandemic, our talented teachers have worked hard to foster the nurturing setting that Sprout House families have cherished for over 30 years. New Jersey State requirements during the pandemic have limited tuition revenue and generated first-time fundraising needs. Sprout House is appealing to your generosity and commitment to our mission by asking you to consider a donation to the school.

**Your support will help Sprout House offer young learners the foundational learning experiences and nature-based programs that have become even more important during the pandemic.**

As a small, not-for-profit school, we endeavor to meet the needs of children and staff on a tight budget. This tax-deductible donation will have a positive impact on a program that helps inquisitive young learners build confidence and an eager attitude toward learning through their connection with nature.

**You can donate to Sprout House** via this link; [PayPal for Sprout House Donations](#). You may also mail donations to Sprout House at 200 Main Street Chatham, NJ 07928.

Thank you for your support and generosity.

Sincerely,

Kirsten Wallenstein, President of the Board of Directors  
On behalf of the Sprout House Board
