

Sprout House Mask Release

New Jersey's mask mandate for schools and childcare centers is expiring on Monday, March 7. After thoughtful consideration, Sprout House has decided to make masks optional and at the discretion of parents. This Mask Release will allow you to make an individual decision on mask wearing for your child.

Please fill it out and return it **before Monday, March 7**. If not received prior to March 7, then your child will be required to wear a mask inside the school until otherwise notified.

I, _____, hereby request that my child, _____
