Dear Parents and Friends,

Each year at this time we appeal to your generosity and commitment by asking you to consider making a donation to the Sprout House Teacher Endowment Fund. This is a restricted fund specifically established to sustain an annual staff bonus.

Our dedicated teachers work to make each child feel comfortable to explore the world, gain confidence in their thinking about science, math, art and literature, and develop friendships. Sprout House teachers have made every classroom a home-like place where our children develop socially and cognitively.

As a small, not-for-profit school, we endeavor to meet the needs of our children and staff on a very tight budget. This tax-deductible donation will have a direct and positive impact on the dedicated individuals who so warmly teach your children.

Sincerely,

The Sprout House Board of Directors
